NSA Update #65

Act by Wednesday for chance to get quicker Economic Impact Payment

AUTHORED BY: The NSA

The Internal Revenue Service announced Friday that in order to get your check faster, you need to access [Get My Payment](#) by noon Wednesday, May 13. After that time, the IRS will begin preparing millions of files to send to the Bureau of Fiscal Services for paper checks that will begin arriving through late May and into June. Taxpayers who use *Get My Payment* before that cut-off can still take advantage of entering direct deposit information.

For those not required to file a federal tax return, the [Non-Filers: Enter Payment Info Here tool](#) remains open.
